Course Guide 2025/2026

STUDENT OF THE YEAR 2024

“

I wanted to broaden my horizons and undertake a TAFE course to hopefully one day work in transport operations.

I'm very proud of the challenges I've faced and how far I've come. It is always still a never ending battle but you just have to persevere and keep moving forward.

If you want something you make it work.

Honouring the traditional landowners of the area, the Gunung-Willam-Balluk and Wurundjeri peoples, the centre merges the cultural heritage and values of these landowners with contemporary Aboriginal culture and strong networks with key Aboriginal organisations to ensure that our students are supported through their time with us.

As one of the state's largest providers of training and education, Kangan Institute delivers a wide range of courses and programs. We support students engaged in a variety of courses across the institute and conduct a number of events through the year, celebrating Aboriginal culture and key milestones to which all the students are invited to along with their friends and family.

Most importantly, we have a dedicated Koorie Student Support Officer, Koorie Liaison Officer as well as a Koorie Counsellor Officer based at the IEC to assist students in accessing the full range of support services and assistance in dealing with government agencies and other relevant organisations.
